Dear Parent/Guardian,

The Bayonne School District's goal is to communicate important information and messages related to your child's education throughout the school year. This year, the district implemented the Bayonne Connect School Communication System which allows us to reach staff, parents, and students instantly and securely. Another way to communicate to you is via email.

I am asking you to record your email address. Please be assured that all emails will remain confidential. Your home email address will not be shared with any outside source. It is for school use only.

Please complete this form and return it to your child's homeroom teacher as soon as possible.

I thank you for taking the time to review this information and completing this form.

Sincerely,

Patricia L. McGeehan, Ed.D.
Superintendent of Schools
