Dear Parents/Guardians,

Below is a tentative schedule of when the Department of Health will administer the H1N1 vaccine to students in our school district.

Vaccinations will only be given to those students whose parent/guardian has signed a completed consent form indicating that the vaccination should be given.

No consent forms can be accepted at this time.

Students not vaccinated at this time will have the opportunity to receive the vaccine once the Health Department has visited all the schools in our city. Information will be sent to you at a later date.

Vaccinations will begin each morning at 9:00 a.m. and in the afternoon at 1:00 p.m.
