
Bayonne School District Announces its “Bayonne Hearts for Haiti” Program

“On January 12, 2010, a series of earthquakes with magnitudes ranging from 6.5 to 7.3 devastated Haiti. I have been deeply touched by the concern and thoughts expressed by our administrators, teachers, staff members, students, and parents who have contacted me as to how they can help,” states Dr. Patricia L. McGeehan, Superintendent of Schools.

“The Bayonne Board of Education, along with Mayor Mark Smith and the City of Bayonne, has organized a fundraising effort entitled, “*Bayonne Hearts for Haiti.*” We will join recovery efforts mobilizing around the world to assist earthquake victims. Donations will truly help disaster victims rebuild their lives and their communities. I am asking each staff, parent, and child to participate in our Haiti relief efforts until the end of February by donating one dollar or any other monetary amount of their choice. All monies collected from each school will be given to the American Red Cross. I want to personally thank staff, students, and parents for their concern and support. Together, we will demonstrate that Bayonne is truly a caring community, and we will make a difference!”
